DOCKSIDE DINING

AFTER A MULTIMILLION-DOLLAR TRANSFORMATION, EHP RESORT & MARINA BRINGS FINE DINING AND FLAVORFUL FOOD TO THREE MILE HARBOR.

BY LAURA HAWBAKER

With spectacular waterfront views and bespoke accommodations, it's no wonder EHP Resort & Marina is kicking off the summer season with a fresh opportunity for sumptuous and savory dining. The five-acre resort's new restaurant, Sunset Harbor, features shareable fare: shrimp scampi topped with fresh crab, spicy lobster rigatoni and signature sushi rolls. "Following the success of the hotel and restaurant opening last season, we are excited to offer new and returning guests alike a new dining destination," says general manager Michael Capoferri. To top it all off, the resort's full-service marina means guests can dock to dine, luxuriating with drinks, food, and a serene sunset view of the harbor. 295 Three Mile Harbor, Hog Creek Road, East Hampton, ehpresort.com
